counsel of the parties, it appears that the writ-petitioner should approach the competent authority, the Secretary, Higher Secondary Board. There is no final order passed in this regard by the competent authority, which would aggrieve the writ petitioner. The learned counsel for the petitioner submits that the petitioner would like now to approach the competent authority. If the Secretary concerned is approached by the writ-petitioner within a period of one month from today, the grievance of the writ petitioner shall be examined by the competent authority and disposed of the same within two months from the date of receipt of a certified copy of this order.

With the above observation/direction in this petition is disposed of.
